

MONOBLOC

BISLEY

Helping you work better anywhere

PEACE OF MIND COMES AS STANDARD WITH BISLEY LOCKERS.

MonoBloc™ by Bisley is the premium back of office storage solution. It provides attractive personal storage, allowing for coordination with existing workplace design, impactful brand statements and

gives employees a sense of belonging. Special attention has been given to the design and quality of these secure, long-lasting lockers; designed with clean lines, concealed hinges and discreet label holders.

POSSIBILITIES

MonoBloc is available in single columns and banks of up to four columns in one two, three and four door options. Why not group multiple units together to create one large bank of lockers to suit your personal storage needs? Contact your Bisley representative for more information and advice on configurations.

You can choose from 12 colours to suite in with the existing environment or make an impact with a statement colour choice.

This versatile locker includes ventilation grills on the doors and optional features include sloping tops and benching, a plinth and a choice of two foot options.

PRODUCT BENEFITS

- **Secure** – With a key lock as standard, you can choose to upgrade to combination or hasp locks, or find out about our digital locking solutions by contacting your Bisley Representative
- **Sturdy** – Hand-built to last, the steel carcass, doors and internals make for durable storage of personal items
- **Colourful** – External doors and carcasses can be finished in a choice of 12 colours to suite in with your brand and create a bright, welcoming personal storage area
- **Ventilated** – Ventilated doors allow air to flow through the locker, keeping personal items in the best condition
- **Clean/dirty dividers** – Individual lockers complete with clean/dirty dividers are ideal for those who need to change from dirty overalls to clean clothes without cross contamination

Please note MonoBloc lockers are not suitable for wet areas.
