

FRAME MOBILE

A double-sided glass mobile writing board with a bentwood frame. The softly rounded frame defines the work surface and doubles as a handle when moving the board between locations. Frame mobile is available in two variations, a model with coordinating light grey feet, castors and frame and another with solid oak feet, black castors and matching oak frame. The glass is available in our carefully selected 24 standard colours. For a monochrome appearance we recommend colour Soft - 150 combined with grey feet and matching frame. Designed by HALLEROED and MATTI KLENELL.
