

Case Study

IPUT Making it Work

BUSHELL
INTERIORS

Collaborating with various architects, Bushell Interiors delivered modern, fully equipped workspaces for IPUT, tailored to their “Making it work” concept. With a focus on flexibility and excellence, the office platform can adapt to each user’s needs. We supplied Workstations, Lockers, Ergonomic task Chairs, Loose and Canteen Furniture, Meeting Room Chairs, Storage, and Tables.

Client: IPUT
