

Case Study

Glandore - Bottleworks

Bushell Interiors recently collaborated with Todd Architects to furnish the cutting-edge Glandore Bottleworks Enterprise and Innovation Building in Dublin 4. This five-story facility is strategically located in the heart of Dublin's South Docks, known as the Silicon Valley of Europe. Our carefully selected furniture enhances the modern workspaces, promoting creativity and innovation. We're proud to be part of this dynamic project, showcasing our commitment to top-tier commercial solutions.

Client: Glandore
Architect: Todd Architects
