

# Case Study

## Tirlán (Glanbia)

In a dynamic collaboration with Henry J Lyons, Bushell Interiors supplied and fitted-out the furniture for the Tirlán Office project. With a strong focus on sustainability, the mission was to harmonize the office environment with Tirlán's redefined identity and branding. We provided functional and aesthetically pleasing furniture for various spaces, from breakout rooms to the conference room and canteen, ensuring a sophisticated and eco-conscious workspace.
