

Case Study

Making it Work

One Grand Canal Square

Collaborating with IPUT and MCA Architects, Bushell Interiors contributed to the Making it Work One Grand Canal Square Offices. Our role involved providing furniture for breakout areas, the canteen, flexible meeting rooms, and offices.

The project showcases IPUT's Making it Work concept—a fully fitted second floor designed for flexible working, accommodating up to 250 people in one of the best location in Dublin City.

Client: Making it Work
Architect: MCA
Building Contractor: Structurestone
Project Manager/QS: KSN
Supply Partners: Koenig & Neurath, Andreu World, Bisley, Prostoria, Pedrali, Sancal, Interstuhl, Icons of Denmark, Spacestor, Martex, Framery.
