

Snooze / Deck chair Cozy Design / Chiaramonte / Marin

Snooze creatively interprets the classic deckchair thanks to its generous and enveloping dimensions and is available in various colourful versions which add a touch of liveliness to every setting, both indoor and outdoor. The deckchair comes with a practical footstool, a small foldable armchair and a sunbed, available in the same colors range. The indoor version Snooze Cozy is made with a knitted weave and is available in 3 colors.

Materials

EMU synthetic mesh

Composite material consisting of PVC (45%), PP (40%) and PES (5%), and constructed using a “Jacquard” double yarn in GG05 two-yarn, fit for out- and indoor use. The two united yarns create a “synthetic mesh” which is soft to the touch, with high technical qualities against microorganisms.

Maintenance:

Hand wash the product at a temperature between 30 and 40 ° C with neutral detergent. After washing it is recommended to dry the fabric in the open air, not in the dryer.

Microfiber

100% PES multifilament particularly resistant to daily use, in nubuck aspect, for high quality and long-lasting components, characterized by the weaving of polyester fibers having a titre equal to or less than 1 dtex.

Maintenance:

Hand wash the product at a temperature between 30 and 40 ° C with neutral detergent. After washing it is recommended to dry the fabric in the open air, not in the dryer.

Hand wash the product at a temperature between 30 and 40 ° C with neutral detergent. After washing it is recommended to dry the fabric in the open air, not in the dryer.

Steel

Iron and carbon alloy, with carbon content below 2%, treated to withstand the elements with the unique EMU-Coat anti-corrosio process.

Maintenance:

Hand wash the product at a temperature between 30 and 40 ° C with neutral detergent. After washing it is recommended to dry the fabric in the open air, not in the dryer.

Hand wash the product at a temperature between 30 and 40 ° C with neutral detergent. After washing it is recommended to dry the fabric in the open air, not in the dryer. To keep the product in good condition for a long time, we recommend storing it indoors and in a dry place during the winter to prevent condensate from forming. Before the winter and on a quarterly basis, if the products are kept near the sea, it is recommended to clean the metal surfaces with a soft cloth using water or detergent and protect them with Vaseline oil or car wax.
