

Case Study

West Wood Gym

Excited to share our partnership with Optimise Design and Structure Tone in the stunning transformation of West Wood Gym.

The focus on functionality and aesthetics has transformed the space into a welcoming and stylish environment, enhancing the overall experience for visitors and staff. We supplied furniture for the Cafe/Dining, Lounge, Reception and Office Areas.

Client: West Wood Club
Architect: Optimise Design
Building Contractor: Structure Tone
Supply Partners: Andreu World, Pedrali, Koenig & Neurath
