

# Zip Tube Micro Pendant

Minimalist, slim pendant for use in a Zip rail system. Perfectly suited above the kitchen counter, the dining table or in a window. Made of powder-coated, die-cast aluminium and available in black or white finish. The retracted light source causes minimal glare and can be dimmed with phase control dimmer. Zip Tube Micro Pendant comes with a black bezel as standard, with low glare. Other bezels in white and gold are available as accessory. This allows for creative individual designs. The black bezel has low glare, the gold gives a warmer light, and the white reflects the most.
